**Baa Atoll, the Maldives. January 2021:** Boasting dazzling white sands and turquoise waters, Milaidhoo is renowned for romance. This Valentine's Day, couples can benefit from the Love Story package – offering an array of dreamy experiences perfect for those seeking ultimate privacy and romance. From the moment guests step onto the island they can expect unparalleled luxury and attentive service, beginning with an island inspired welcome drink, personalised welcome gift and champagne awaiting them in their villa.

Thoughtfully curated by the Milaidhoo team, experiences in the package include a sunset cruise aboard a traditional Maldivian Dhoni, picnic on a deserted sandbank and an unforgettable petal bath with scented oils for couples to unwind. To elevate the experience, each morning couples will be treated to a private champagne breakfast on the deck of their villa before whiling away the days exploring the island, sunbathing and snorkelling in the house reef surrounding the island.

During the stay, guests will also enjoy an intimate, romantic dinner surrounded by candles in an idyllic beach setting, ensuring the ultimate romantic environment for dinner under the stars.

And as romance does not have an expiry date, the package is available until end of October 2021 for couples who are currently unable to make their way to Milaidhoo due to actual travel restrictions. Further, the resort offers a flexible cancellation policy and options to postpone booked vacations at Milaidhoo if needed.
