

MILAIDHOO MALDIVES LAUNCHES MEGAMOON FOR VALENTINE'S DAY 2022

The traditional honeymoon is transformed into a "megamoon" in the setting of the small, tropical island of Milaidhoo.

More than a holiday of blissful romance, the Milaidhoo megamoon includes experiences to remember with pleasure throughout a couple's married life.

The megamoon package is being introduced this Valentine's Day and will be available throughout the year. It includes an abundance of unique experiences that are full of memorable moments - intimate and private - individually created for each couple.

On the morning after arrival the megamooners can start their holiday with a Romantic Spa Retreat for two to relax and ease all tensions. In the afternoon, the couple can hop aboard the island's dhoni for a private cruise, exploring different reefs in Baa Atoll snorkelling.

The next morning the private yacht of Milaidhoo will be exclusively for the couple to enjoy a voyage around the atoll chasing dolphins, snorkelling and fishing, with a lunch on board in the middle of the ocean. During their holiday of memorable moments and relaxation, the megamooners can choose the ultimate romantic experience – spending a night under the stars on a remote, deserted sandbank with nothing but the ocean around them. This begins with the couple taking a sunset cruise on a yacht around the islands before enjoying a personalised dinner for two on the sandbank with only a dedicated chef and waiter in attendance. The sandbank will be transformed with the comfortable facilities of a Milaidhoo guest villa, creating a picture-perfect setting for this once-in-a-lifetime experience.

While the sandbank glamping is unique and unforgettable, couples won't miss out on comfort and luxury during their megamoon. With a choice of the best categories of the resort's villas, the couple can enjoy nights in one of the exclusive Beach Residences. Embracing informal outdoor island living, the residences are located on the beach, each with an outside deck and pool, with interiors that are designed for luxurious comfort with island-inspired touches.

The megamoon experience can be customised to match each couple's personal wishes. Couples who stay between June and November can add-on a snorkelling excursion to Hanifaru Bay when the spectacular gathering of Manta Rays takes place.
