spa

An invitation
to *unwind*

Where wellbeing unfolds, *naturally.*

Tucked above the turquoise lagoon, our four overwater treatment suites and oceanfront yoga pavilion offer a tranquil escape. Here, the mind slows, the body softens and the soul is free to simply be.

At Serenity Spa, we take a gentle, holistic approach to wellbeing. Our therapies draw on time-honoured healing traditions and the natural power of plants, combined with intuitive touch and result-driven techniques. Treatments are guided by the belief that the smallest details often make the greatest difference.

We use carefully chosen products, each selected for their purity, efficacy and respect for both skin and environment. From advanced facial rituals and grounding bodywork using Natura Bissé, Aromatherapy Associates and Obsidian skincare For Men, to locally inspired remedies and award-winning nail and grooming treatments by Margaret Dabbs London, every detail is crafted to restore balance, beautifully and without fanfare.

This is wellbeing, the Milaidhoo way - unhurried, intuitive and deeply restorative.
