

10 YEARS OF
island soul

A DECADE
OF FOOTSTEPS
in the sand

Ten years ago, we opened our doors with a simple dream: to create a home for those who seek true Maldivian soul. We wanted to build a place where luxury isn't about gold taps or white gloves, but about the feeling of the sun on your skin, the salt in the air and the warmth of a genuine smile.

Today, Milaidhoo is a living history of the moments we have shared – a place where your footsteps meet our own to create something truly special. It is the story of the Milaidhoo Family who care for this reef, the guests who have become our friends and the shared moments that have turned into lifetimes of memories.

As we celebrate our 10th anniversary, we invite you to kick off your shoes and join us.
This week is a tribute to our past and a promise for our future.

Thank you for being part of our story.
