BIG GAME / SPORTS FISHING

Fishing for big game fish is a dream. To catch one of the ocean's biggest fish in the world is a top goal for most avid fishermen. Marlin species are among some of the most sought-after bill fish to catch and the most fun catch because they are so powerful and a true testament to an angler's skills. Our full day charters are all eight (8) hours, and we recommend chartering at least three (3) to four (4) days to catch the dream/trophy fish.

Jigging & Light Trolling

Light Jigging Light jigging is basically conventional jigging with light jigs and a lighter PE. It is an all-rounder when it comes to species from bottom-dwelling fish to pelagics. The fast-paced movements of the jig will arouse the curiosity of even the most stubborn fish. Two of the most popular jigging styles we have in Maldives are light jigging (also known as micro) and slow jigging (also known as slow-pitch).

Trolling Live bait trolling is an exciting fishing technique that involves trailing live baitfish and artificial lures behind a boat to attract game fish like marlin, sailfish, wahoo, and mahi-mahi.

Duration:	Min. 4 hours / 8 hours
Vessel:	Luxury Fishing Speed Boat
Price:	US$ 2575 for 4 hours / US$ 5150 for 8 hours
Inclusions:	Soft Drinks, water, Fruit Platter, Sandwiches or Light Breakfast
Note:	Maximum: 4 guests

Casting & Trolling

Deep jigging Deep jigging fishing in the Maldives is an adrenaline-pumping sport where anglers drop heavy metal jigs to significant depths. Targeting big game fish like giant trevally, dogtooth tuna and snapper, this technique takes advantage of the Maldives' unique underwater topography. With specialized equipment and stunning underwater views, it's an exciting and memorable fishing adventure in paradise.

Casting Topwater casting is an exciting method, where we use surface lures to entice predatory fish in shallow, clear waters. With lightweight gear and explosive strikes from species like giant trevally, snapper, grouper and barracuda, this method is a thrilling and visually captivating fishing experience in this tropical haven.

Deep drop fishing Deep drop fishing offers a unique and challenging experience, requiring both skill and patience. It's popular among offshore anglers seeking to explore the depths of the ocean and pursue a diverse range of elusive and prized catches such as grouper, snapper, and even swordfish. Whether you're a seasoned angler or new to deep-sea fishing, deep drop fishing promises an exciting adventure in pursuit of remarkable fish species that dwell in the depths of the ocean.

Duration:	Min. 4 hours
Vessel:	Luxury Fishing Speed Boat
Price:	US$ 1290 per hour
Inclusions:	Soft Drinks, Water, Fruit Platter, Sandwiches or light breakfast
