TREATMENTS & THERAPIES

Balancing Thai Therapy

This signature treatment blends Eastern and Western techniques, integrating Thai principles with oil massage and warm Himalayan salt stones. Tok-Sen tapping helps release energy blockages, while the gentle warmth from Himalayan salt promotes deep muscle relaxation. The addition of Crystal Singing Bowls further deepens the relaxation, creating a harmonious balance for both body and mind.

60 minutes — USD 365
90 minutes — USD 450

Himalayan Pink Salt Harmony Massage

A full-body massage using warm Himalayan pink salt stones to gently ease muscle tension, relieve discomfort, and calm inflammation. Rich in natural minerals, the heated salt stones promote deep relaxation, support the body's natural balance, and help release energy blockages, leaving the body grounded, relaxed, and restored.

90 minutes — USD 450

Resonant Tok-Sen Facial

A unique facial treatment combining the traditional Tok-Sen technique with resonant sound waves. Gentle tapping stimulates blood circulation, helps release facial tension, and supports the skin's natural balance. The rhythmic resonance promotes deep relaxation, leaving the complexion refreshed, radiant, and revitalized.

60 minutes — USD 365

Wellness Foot Reflex

A wellness-focused foot therapy that applies precise pressure to reflex points on the feet, supporting the function of various organs and systems through reflex zones. This treatment helps relieve stress, ease discomfort, and promote overall well-being in a natural and relaxing way.

60 minutes — USD 325

Gut Flow Therapy

Experience Harmonized Gut Flow Therapy, a non-invasive massage technique based on Chi Nei Tsang. This deep colon cleansing massage helps promote better function of the large intestine, balances digestion, supports natural waste elimination, and restores harmony to both body and mind.

30 minutes — USD 195 | 60 minutes — USD 325

Harmonic Crystal Bowl - Sound & Vibration Healing

This therapy blends the soothing sounds and vibrations of crystal singing bowls with the calming voice of the practitioner, creating a harmonious state that gently unifies body and mind. The resonant tones help restore inner balance, ease tension, and bring a deep sense of calm and well-being.

45 minutes — USD 125
